tessera® inline technical specifications

Description	Tufted multi-pile height loop pile carpet tile	
Dimensions / tiles per box	50cm x 50cm / 16 tiles per box	
Total thickness	7,5mm ± 10%	
Installation Method	Broadloom, 1/4 turn, or tessellated 	
Pile composition	100% Universal polyamide 6,6	
Dye Method	Solution dyed	
Pile Weight	540gsm ± 10%	
Total weight	4,155gsm ± 10%	
Stitch density	Tufts per m2	236,400 /m² ± 10%
Primary backing	Polyester	
Secondary backing	Modified bitumen & polyester fleece	
Application	EN 1307	Class 33, suitable for any type of heavy contract application
Dimensional stability	EN 986	≤0.2 %
Castor chair	EN 985	Minimum R Value: ≥ 2.4
Light fastness	EN ISO 105-B02	>5
Impact sound reduction	ISO 140-8	25dB
Electrical resistance	EN 10965 & EN1815	<1 x 10 ⁹ Ω: Static dissipative. Body voltage < 2kV.
Environmental	Material used in the construction of Tessera carpet tiles are chosen for their low volatile organic compound (VOC) levels. All Tessera carpet tiles are manufactured using 100% green electricity.	
Guarantee	Inline is guaranteed for 10 years under heavy contract conditions provided that it has been professionally fitted by a recognised contractor and regularly maintained in accordance with the Forbo requirements currently in force.	
 Inline meets the requirements of EN 14041		
Reaction to fire	EN 13501-1	B _s 1
Slip resistance	EN 13893	DS: ≥ 0,30

Forbo Flooring reserves the right to improve the specification of its products without giving prior notice. Errors and omissions excepted.

One of a new generation of cleverly textured loop pile tiles is the Tessera Inline, it adds a completely new twist to the concept of linear design. Aimed primarily at the commercial office market, inline offers more than just the plain ridges and stripes of a conventional linear loop pile carpet tile as it features rich, differential texture and a strong directional pattern, randomly interspersed with tonal patches.

This 'broken linearity' and combination of high and low level loops delivers a visually interesting backdrop for any commercial interior design scheme. The forgiving design also cleverly masks the tile edges resulting in a broadloom appearance when laid in monolithic fashion. Inline is a flexible and adaptable heavy contract carpet tile. Its innovative pile construction gives an excellent level of wear performance and

appearance retention. Offered in a selection of 12 muted tones, it's a range influenced by international designs and textures and perfectly complements today's contemporary office space. Using a new yarn route Tessera Inline has been produced using nylon 6.6 yarn, which has an unusually high recycled content helping customers to meet environmental concerns.
